 - H/D14 classes allow the use of an aid for shooting.

Terrain, Map and Shooting area

- The terrain is a typical North Ostrobothnian open rocky terrain broken by swamps. The height differences in the terrain range from 0 to 15 metres and the rocky areas are small detailed and demanding to orienteer.
- The Map is New (06/2024), made by Timo Joensuu.
- Shooting area is in really good shape, with 15 biathlon shooting targets.
